WHAT WE TRADE

Pharmaceutical APIs

Active Pharmaceutical Ingredients (APIs), Excipients & Binders, Specialty Pharma Ingredients, Intermediate Compounds

Intermediates

Organic & Inorganic Intermediates, Fine Chemicals , Specialty Intermediates, Reaction Intermediates

Industrial Chemicals

Basic Industrial Chemicals
Specialty Chemicals
Performance Additives
Process Chemicals

Global Reach Reliable Supply Every Order

We source from certified manufacturers across India and global markets, ensuring quality documentation, competitive pricing, and dependable delivery timelines for every shipment.

Our Commitment

To be the one-stop trading partner our customers and suppliers rely on delivering better value on every order, first or fiftieth.

ABOUT US

The chemical supply and demand is changing fast. Supply chains are consolidating, regulations keep evolving, and buyers and suppliers alike need partners who can keep pace without losing the plot on quality.

Jaydev Group, a trading company working across pharmaceutical APIs, Intermediates and industrial chemicals. We serve all domestic, import and export markets with the same discipline, a customer-focused approach, fast responsiveness, sound product knowledge and the flexibility that modern trade demands.

We work closely with leading manufacturers as well as growing producers, giving our customers dependable supply and our suppliers dependable demand. Every relationship we hold buyer, supplier or partner, runs on clear communication, transparent terms and one point of contact from inquiry to delivery.

Our Vision

To grow into a trading house built on honest dealing and lasting partnerships. A name buyers and suppliers trust instinctively.

Our Mission

To simplify chemical and pharma material trade for everyone with the right product, price, and documents, delivered as promised.
